Consent:

I consent to the diagnostic procedures and treatment by the dentist necessary for proper dental care.

I consent to the dentist's use and disclosure of my records (or my child's records) to carry out treatment, to obtain payment, and for those activities and health care operations that are related to treatment or payment.

I consent to the disclosure of my records (or my child's records) to those who are involved in my care (or my child's care) or payment for that care.

My consent to disclosure of records shall be effective until I revoke it in writing.

I authorize payment directly to Highlands Dental of insurance benefits otherwise payable to me. I understand that my dental care insurance carrier or payer of my dental benefits may pay less than the actual bill for services, and that I am financially responsible for payment in full of all accounts. By signing this statement, I revoke all previous agreements to the contrary and agree to be responsible for payment of services not paid by my dental care payer.

I attest to the accuracy of the information on this page.

OFFICE POLICY

Payment will be expected at the time of service for all non-contracted fees and co-pays.

Insurance contracts: If we have a “Participating Contract” with your Insurance carrier, we will accept assignment on all Covered Services and bill your Carrier for you. You are responsible for the co-pay, Coinsurance, and Deductible and for all non-covered services.

Insurance plans represent a contract between yourself and the insurance company. These contracts are not between the doctor and the Insurance Company. We will do our best to help you obtain benefits, but we cannot be held responsible if your Carrier does not pay. Further, if a member of our staff advises you that you are fully covered or implies that you will owe nothing, it is your responsibility to contact your insurance company for verification. Therefore, it is your responsibility to make certain your carrier makes prompt payment, and to handle any disputes that may arise. **If your insurance carrier has not paid your claim within 90 days, you will be responsible for any unpaid balance. You will also be responsible for following up on the outstanding claim for reimbursement.**

If your insurance is found to not be in force on the date dental services are provided, you will be responsible for the full balance. A finance charge of 18% APR (1.5% a month) will be added to the total balance on all accounts over 60 days past due.

Third party financing may be available for patients requiring extensive treatment through Care Credit. This type of financing must be approved in advance.

If at any time you have questions regarding any treatment, fees, or services, please discuss them with us promptly and frankly. We will make every effort to avoid a misunderstanding, to rectify an injustice, or to preserve a friendship.

Missed appointments: Our policy is to charge for missed appointments unless a cancellation is received at least 24 hours in advance. **The charge is \$75 per hour of the scheduled time.**

Children in the office: Please make arrangements for your non-scheduled children prior to your visit. Children should not be left unattended in the reception area. All children 17 years of age and under scheduled for treatment must have a parent or legal guardian present in the office during their appointment.

Cell Phones: We request that all cell phones be turned off or set to silent mode during your appointment.

Family/Friends: For the safety and comfort of our patients and employees, no friends or family members will be permitted to accompany patients in the treatment area during the appointment. Any patients with special needs can make necessary arrangement with the office manager prior to your appointment.

We reserve the right to dismiss any patient from our practice for inappropriate behavior in our office or on the phone.

I acknowledge that I am responsible to pay all charges for treatment administered by Highlands Dental as outlined above and that if my account is placed with a collections agency for non-payment that I will be responsible for all collections costs, including court costs and associated attorney fees.

I have read the policies and agree with the terms outlined above.

General Consent

I, _____ consent to be a patient at Highlands Dental and agree to a radiographic and clinical examination. I also understand the following:

1. During the course of treatment, I may undergo procedures in all phases of dentistry including periodontics (gum treatment and surgery), oral surgery, endodontics (root canal treatment), fixed and removable prosthodontics (crowns, bridges, and dentures), implant dentistry, temporomandibular disorder treatment, sleep apnea treatment, oral pathology, pediatric dentistry, and radiography.
2. I authorize Dr. Burger to prescribe and/or administer any drugs, medicaments, antibiotics, and local anesthetics necessary or appropriate in my care.
3. I will provide a thorough and complete medical history, supply a full list of my medications with dosages and consent to Dr. Burger communicating with my other medical practitioners to inquire about any aspect of my health history.
4. No guarantees can be made about treatment outcomes, restoration longevity or prognosis. I understand that any branch of medicine, including dentistry, can involve unanticipated results.
5. I will pay in full my cost of treatment or insurance co payment according to the office's financial policy. I understand that even if an insurance pre-estimate is given or a procedure has been pre-approved, I am ultimately responsible for any and all fees. Although the office will try to best estimate how my insurance company will pay, each plan is different and it is possible that insurance companies will not pay as expected or not pay at all, thereby leaving myself with a balance that will need to be paid in full.
6. My treatment plan may change at any time and I will do my best to approach my dental care with optimism and open communication with the dental staff.
7. I am welcome to ask questions about any aspect of my dental care and will request information if I am confused or need more information. I am responsible for clarifying any aspect of my treatment that I am unsure about.

Cancellation/Missed Appointment Policy

Our goal at Highlands Dental is to provide quality dental care in a timely manner. In order to do so, we have implemented an appointment/cancellation policy. This policy enables us to better utilize appointments for our patients in need of dental care.

Cancellation of an Appointment:

In order to be respectful of the needs of our patients, please be courteous and call Highlands Dental if you are unable to attend your appointment. This time will be reallocated to someone who is in need of treatment that day. If it is necessary to cancel your scheduled appointment, we require that you call at least 24 hours in advance. Appointments are in high demand, and your early cancellation will give another person the opportunity to have access to timely care.

How to Cancel Your Appointment:

To cancel appointments, please call Highlands Dental at (303)220-1122 at least 24 hours prior to your scheduled appointment. If you do not reach staff, you may leave a detailed message on the voice mail. If you would like to reschedule your appointment, please be sure to leave us your phone number and we will return your call as soon as possible. Late cancellations will be considered a “no-show”.

No-show Policy:

A “no-show” is either arriving more than 15 minutes late for a scheduled appointment or a missed appointment without 24 hours notice. “No-shows” inconvenience other patients who may need access to care in timely manner. **A failure to present at the time of a scheduled appointment without adequate notice will be recorded in the patient's chart as a “no-show” and a \$75.00 per hour appointment time missed will be assessed and must be paid prior to your next appointment.** Any further “no-show” appointments may result in the termination of the patient from the practice.

We may provide a courtesy appointment reminder, however, you are responsible for keeping the appointments that you make. How do you wish we contact you for appointment reminders?

- Text _____ phone number
- Phone Call _____ phone number
- Email _____ email address

I have read the above policy completely. I agree to all of the terms and understand that if I violate this policy, it may result in the termination of my doctor/patient relationship.
